- no one from the whistleblowing team, or anyone taking part in the investigation process, will try to find the whistleblower (exceptions identified in this policy may apply)
- the whistleblowing team can, when needed, send follow-up questions via the channel for anonymous communication
- A report will not be investigated by anyone who may be involved with or connected to the wrongdoing.
- whistleblowing reports are handled confidentially by the parties involved
- corporate or external advice may be sought in the investigation
- periodic updates should be given to the whistleblower, as appropriate
